15% CAB FRANC

5% MERLOT

production

Fermented and aged in 100% new French oak barrels with native yeast. Aged 22 months at bottling.

115 cases produced

story

Sal debuted with the 2012 vintage when we were afforded the opportunity to work with Cabernet Sauvignon from the outstanding May's Discovery Vineyard in the Horse Heaven Hills of Washington state. This special reserve bottling is named after Morgan's amazing wife, Sally. Our sixth vintage of Sal and one of best received. This wine really shows the potential of the Horse Heaven Hills to produce amazing Cabernet. Cabernet that isn't just ripe fruit but beautifully savory as well.

street cred

91 PTS | Cellar Selection - Wine Enthusiast

"Char, graphite, plum, cherry, coffee and green herb aromas are followed by a palate that shows a pleasing elegance but also plenty of richness. The tannins bring a touch of greenness that mellows out a bit over time. Leave it in the cellar for a while or give it a long decant. Best after 2024."
