

Grenache Blanc

2021 COLUMBIA VALLEY

varietal

95% GRENACHE BLANC
5% ROUSSANNE

production

Whole cluster pressed into 10% new French oak puncheons and barrique where it was fermented with native yeast and aged on the lees for 5 months at bottling.

536 cases

the story

The 2021 marks our 12th vintage of our beloved Grenache Blanc. Either it gets better every vintage or we just love it more, or both. Green apple, peach, and white flowers blend with a creamy texture and distinct minerality. This wine has purpose, and that purpose is seafood and sunny days. Boushey, Weather Eye, and Olsen Vineyards make this a beauty.
